

## STEVEN HAYNES

Steven Haynes is a Director at Greyhawk and has 25 years of investigations experience.

He provides evidence and intelligence to law firms and their clients in complex, high-value and cross border disputes. He has extensive experience of identifying the assets of personal, corporate and sovereign debtors.

His clients include judgement creditors, banks, state asset resolution agencies, deposit insurance agencies and arbitral award holders.

At Greyhawk, he manages multilingual teams engaged on international disputes; these typically combine a range of investigative approaches, including collection of human intelligence, surveillance, interviewing, analysis of public records, and the use of specialist tools to extract information from the deep web and social media.

Steven joined the investigations sector in 1997 after a career as a news reporter. He is ranked as an expert in asset recovery by *Who's Who Legal*. Greyhawk is ranked as a leading litigation support firm by *Chambers and Partners*.
